NATIONAL THEATRE opens to-night. The Ice Witch! The Ice Witch!

**ACCIDENT.**—On Saturday morning, about 11 o'clock, a workman on the Treasury extension, named James Donnelly, employed in adjusting the rigging of the derricks for hoisting the granite blocks for the gallows, was accidentally run over on the ice, between the President's House and Treasury building, fell from a tree, where he was secured one of the lines. He fell from a height of about forty feet, and struck, head first, in a pile of coal. Dr. Garret was at once summoned, and found him badly bruised, but, so far as could be ascertained, merely injured internally. He however, was hurt internally. The sufferer was immediately taken to Lincoln Hospital for treatment.

**INQUIRIES.**—Justice Walker on Saturday afternoon had an interest over the body of the man who was run over by the cars on Friday evening, an account of which we published on Saturday. The evidence showed that the engineer signalled to "down breaks" when he discovered the wagon and attempted to stop the train, but before it could be done the train had passed along, the engine striking the wagon, and the driver, Captain George Smith, who was in the act of jumping from the wagon. He was struck on the head and shoulders and death resulted almost immediately.

**FIRE.**—Yesterday morning, about three o'clock, fire was discovered in a row of three frame houses on 26th street, between Pennsylvania avenue and M street, owned and occupied by Mrs. Sis, Mr. Barnes, and Mr. Gees. The alarm was sounded from house to house by men, and the firemen, who were probably on duty, but did not succeed in saving the buildings. All the houses were destroyed—loss about \$2,000. The fire was the work of an incendiary.

**A CUTTING CASE.**—James Booth alias Martin, a colored man, was arrested yesterday by Lieut. Skippon for assault and battery with intent to kill Oliver May, colored. The parties met at a house in Professor's Alley, when a difficulty arose between them, and Booth cut May in several places with a razor. Booth was locked up at the Central Guards for 24 hours. May's wounds are very severe, and it is thought he will not be able to appear for several days.
